Dear Friends:

Surely you must have heard the shout of thanks coming from the BlueRibbon Coalition's office when we received your recent donation of \$5,000. Your generous financial support will go far in our efforts to preserve access and promote responsible OHV recreation. Thank you!

Your contributions keep the Coalition strong and working at "Preserving Our Natural Resources FOR the Public Instead Of FROM the Public."

Sincerely,

Thank you all so very much! You guys ROCK!

Greg Mumm
Executive Director
BlueRibbon Coalition
